PROFILE

Passionate BCA graduate skilled in front-end development, proficient in HTML5, CSS, and JavaScript with expertise in React.js. Committed to crafting visually appealing and interactive user interfaces while optimizing performance. Eager to collaborate within dynamic teams and deliver exceptional front-end solutions

WORK EXPERIENCE

Internship at Maven Profcon Services LLP
Duration: June 24, 2024 - September 28, 2024 (CERTIFICATE)

During my internship at Maven Profcon Services LLP from June 24 to September 28, 2024, I primarily worked as a front-end React developer, building dynamic and interactive user interfaces. I collaborated with the back-end team to integrate APIs, ensuring seamless data flow and user experience. Additionally, I contributed to the development of responsive web applications using the MERN stack.

PROJECTS

Shopy

- Shopy. Our e-commerce website, built using React and API integration, offers a seamless shopping experience with features like easy item addition/removal and a visually appealing user interface (Try it Here)

Filmy-City

- Filmy-City Crafted with React.js and Firebase backend, facilitating seamless movie addition, image uploads, and user reviews. Explore the platform to discover and interact with your favorite movies effortlessly.

Classy Cloth

- Classy Cloth is a React and Firebase e-commerce platform that allows admins to easily manage inventory through an intuitive admin panel. Users can browse products, add items to their cart, and enjoy secure login/signup for personalized shopping. (Try It Here)
